

5.0 CERTIFICATION BY QUALIFIED PROFESSIONAL ENGINEER

By means of this certification, I certify that I have reviewed the groundwater monitoring network and well construction details for the network around Cell A and combined Cells C and D at the C.R. Huntley Landfill, Tonawanda, New York and it meets the requirements of 40 CFR 257.91.

A handwritten signature in black ink, appearing to read "D M Harty", written over a horizontal line.

David M. Harty, P.E., BCEE
NY 60830

A handwritten date "10/14/17" written in black ink over a horizontal line.
